To Whom It May Concern:

The Certificate of Correction issued on June 17, 2008, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

In the issued cofc, the corrections are not labeled in the proper format. The corrections should be in Column and line format as set forth in the M.P.E.P. The office will issue a corrected certificate of correction showing all corrections in the proper format.

---

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on *a copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
